

Join a new and exciting program

as lead of our

HomeLearners Network!

We're looking for a skilled **Program Lead** to oversee the HomeLearners Network program.

HomeLearners Network provides families with high-quality and fun educational activities and experiences on a custom developed online platform.

Are you a leader who:

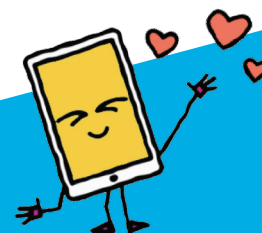

- Collaborates well with and inspires your team and partners?
- Brings imagination and ingenuity to your work?
- Thrives in complex environments?
- Is a champion of lifelong learning?

If so... let's connect!

Why work with SelfDesign?

- ✓ Work with passionate and engaged colleagues
- ✓ Be a part of building exciting, innovative educational offerings
- ✓ Work remotely and set your own schedule

What our team members have to say:

“ I love working in an environment that encourages collaboration and nurtures creativity.

“ I am thrilled to work on an educational program that is inspiring, innovative and fun!
