

# Follow Safety Protocols for SelfDesign In-person Activities

## The following in-person support is allowed

(Provided appropriate communicable disease safety protocols are followed)

- Support in **learners' homes or outdoors, including family visits by educators**
- Support at places of business, such as offices, sports gyms, music studios, etc.
- In-person camps

## Communicable Disease Safety Protocols

Adhere to these protocols to help keep everyone safe.

✓ **Daily health check**  
Do a **Daily Health Check** before in-person activities.

✓ **If you are sick, stay at home**  
Substitute online activities where possible.

## Aids for Working Safely

### Workplace Hazard Assessment

Contractors complete this before working in a new home.

### Household Visit Hygiene Checklist

Use during household visits.

### SEAs - Session Cancellation Procedure

Use when canceling an SEA session.

### Frequently Asked Questions

Find COVID-19 questions and answers about in-person work.

Urgent updates to safety protocols are sent by email. Monitor your inbox and the [SelfDesign website](#) regularly.
